Fairways for Warriors is a 501(c)(3) Non-Profit organization dedicated to providing a better quality of life for our wounded veterans by using golf as a platform to promote camaraderie, brotherhood, hope and healing to our wounded service personnel and their families. Golf has proven to be an excellent tool for mental and physical rehabilitation, and Fairways for Warriors is giving these brave men and women the opportunity to heal from their most significant injuries - the injuries we can't see such as depression, Post-Traumatic Stress Disorder (PTSD), and Traumatic Brain Injury (TBI). If you can't participate in the tournament, please consider making a donation to this great cause - all donations are tax deductible!
